Area **F & G** – *Room: 1.008*

The exact format and duration of the meeting is up to each Area.

Dinner

Om Mani Restaurant

Am Studio 1, 12489 Berlin

Start: 19:00

Thursday, June 26

Towards FAIRmat 2.0: Plenary Session

This session will provide an update on the current status of the FAIRmat 2.0 proposal and give an overview of the planned areas and tasks. It will also introduce the roadmap to submission, setting the stage for the topical breakout sessions.
Room: 2.049

Towards FAIRmat 2.0: Topical Discussions

These breakout sessions provide a space for the PIs within the same area or task group to collaborate on drafting proposal content and clarifying roles.
The respective Area Leader will moderate each session to ensure a coordinated approach. Several rooms have been reserved, and their assignments will be announced during the plenary session.

Please note: these sessions are intended for FAIRmat PIs and Area Coordinators only.

Inter-area Discussions

There will be six sessions, covering the following topics:

	Room 2.049	*Room 1.107*
13:00-14:30	NOMAD and ML: inference and training on the NOMAD platform	Revisiting the NOMAD documentation
14:30-15:00	Coffee break	
15:00-16:30	Migrating schema versions: how do we deal with breaking changes?	Connecting with research clusters and supporting their RDM needs
16:30-18:00	NOMAD Oasis use cases: insights and inspirations	Scaling user support: exploring automation and self-service solutions

Dinner
Restaurant Athen
Radickestr. 57, 12489 Berlin
Start: 19:00

Friday, June 27
